SCHOOL LIFE--CANDID AND COLORFUL

The St. Charles High School students participate in school activities -----

--- As well as in many phases of their community life.

COMMUNITY LIFE---SERIOUS AND SOCIAL

well-liked by the student body. His experience in sports throughout his high school and college years helped him to be successful as a coach of basketball, baseball, and golf at St Charles High

Perhaps he is better known for his guidance work. Because of his out standing character, he has led main of us through difficult problems. He is continually improving his own education so that we can benefit from this knowledge. Sports and his work in guidance are most important to him as they are to many of us. After eight years of dedicating himself to others we now can give but little in return Mr. Jones—our sincere thanks and the dedication of the 1966-1967 Halo to VOIL

Fighting Saints "Spirit-Desire-Hustle"

The "66" football season may not have been successful from the winloss standpoint, but the boys and the spectators still had fun and gained experience from the campaign. In spite of losing, a large number of fans turned out to watch the games. With thanks to the Pep Chib and Cheerleaders, the team played before approximately a total of 25 000 tans.

Numerous honors were also bestowed on the players. Bob Linder won All Conference Upstate Eight honors and Rick Bolleart was also named first team. Tom Majer re ceived special mention, and Rick Davito, Chff Sandberg and Bruce Jones received honorable mention, also

The Saints showed the fighting spirit needed to win football games and they finished the season with their heads high knowing that they had given a 100% effort. With a continued, enthusiastic student body that takes pride in their grid team, with more boys wanting to play football, and with the same team spirit that was witnessed this year, the St. Charles Fighting Saints should have something to look forward to

STUDENT COUNCIL

Our student council has been extremely active this past year with such events as the magazine drive, the Christmas Assembly and Student Teacher's Day. The council, with its new ideas, has contributed a great deal to the governing of our school by regularly attending and participating in both the state and district student council conventions. Few of us will easily for get the smashing success of the Homecoming events which the council sponsored

President, Rich Davito; Vice-President, Peter Jones; Secretary Jody Anderson; Treasurer, Dede Bunker.

NATIONAL HONOR SOCIETY

Scholarship character, leadership and service are tone of the outstanding qualaties the members of the National Horar Society have. These students are selected on scholastic ability and then chosen by the faculty on character and service. The Halo is proud to have these people as representatives to our school.

HALO

'Remembered joys are never past; at once the fountain, stream, and sea, they were, they are, they yet shall be." J. Montgomery

This is how we want you to remember the year 1966-67 at St. Charles High School We give you the Halo so that years from now you can turn back the pages and relive your glorious or not-so-glorious experiences

Whether this year has been your best or your worst, we on the Halo staff have done our utmost to give you the greatest year book that has ever been. We hope that you agree with us for we are very proud of the Halo. We put hours of work and preciseness into selecting just the right pictures and words with which to express the true atmosphere of our own St. Charles High School. We wish to extend our sincere appreciation to Diane Gubash, our editor, for guiding us in this worthwhile enterprise

HONOR STUDY HALL SUPERVISORS

Shish. If Ho, or study half is not at work. Actually, it is one of the greatest privileges a student can acquire. It is a pledge of trust between the students and their teachers and only qualified and reliable students are allowed to pass through the screening.

Special thanks is due to Jody Anderson and Fom Majer and the Honor Study Hall Supervisors, a job well done

MONITORS

Hall monitors are stationed in the front half and throughout the school. Students selected as morators must be dependable reliable, and trustworthy. They are choosen from study halls each period to carry messages and perform other services for the administrative offices. Monitors also aid visitors to our school and are a tremendous help to the new students each year.

BIO-MEDICAL CAREER CLUB

Want to be a Ben Casey? a Gail Lineas? A Mr. Warner? Then joining the Bio-Medical Career Club is the perfect way to begin. It is one of the newest and most active of all the clubs. Established in 1963, this club investigates various subjects in the fields of medicine, norsing, and biology. The spirit is one of a search for knowledge as well as one of interest and enterprise. Their main projects were a visit to the Elgin State Hospital and to Daxon State Hospital. They sponsored the Lake Down. Up Off dance in December which was quite a success with its. Alley Cat. theme. All these operations were carried out by an excellent staft. President Cases Maxwell Vice President Kathy Ball, Secretary Treasurer Jeri Leimazin, and Head Shrinker, advisor. Mr. Warner, without whom there would be no successful Bio-Medical Career Club.

PROJECTIONISTS CLUB

The members of this club are well known for their willingness and ability to assist students and teachers with their projector and visual aid problems. Think of all the good films we would have missed if we had not had the able assistance of the Projectionist Club

PHOTOGRAPHY CLUB

Lights! Camera! Action! The Photography Club is in focus. In then well-equipped darkroom, pictures are developed by the Club for various school organizations. Through their pictures appearing in Valley newspapers, the Photography Club has done a great service for our student body by bringing the many facets of school life to the community. Any Camera bug is encouraged to join by the groups advisor, Minitchell, and as former members will agree, he will be certain to find it an interesting and rewarding experience

RADIO-HI FI

WLS is obsolete since the birth of the Radio-Hi Fi Club's own amateur radio station (WADYH) in 1961. With the speed of sound, and a flash of light, "Poof"... this relatively young organization is communicating with countries around the world. "Would you believe

STUDENT LIBRARY ASSISTANTS

Passing grades? Neat in appearance? Cooperative? Considerate of others? Resourceful? Industrious? Of coursewe're referring to our library assistants. Not only possessing these fine qualities, they also have a willingness to work on a voluntary basis from three to five periods a week Just imagine what a mess our library would be in without the help of these fine students!

LIGHTING CREW

This group was newly formed this vear out of a necessity for trained personnel to run the High School lighting system. Semons Jetl Greene and Chuck McLaughlin have worked to educate the Supervisor and the underclassman along these lines.

CHESS CLUB

Checkmate! Don't make a move until you read about the Chess Club. This club, though just formed in 1965, has attracted many amateur chess players from our school. After many hours of practice matches under the guiding eye of Mr. Williams, the Club participated in numerous invitational tournaments at other schools Make a move in the right direction—congratulate the Chess Club for a fine year.

FUTURE HOMEMAKERS OF AMERICA

F.H.A. members, active all through the year, find one of their busiest and most worthwhile times to be around Christmas. The girls collect food, clothes, and toys for a needy family in St Charles. This is a wonderful example of the true Christmas spirit for all of us. They worked continually to increase their knowledge of home economics by arranging for special speakers to attend their monthly meetings. It is not all work, though—the girls had a great time planning and presenting a fashion show and their annual Christmas party. Being future homemakers, there certainly was no skimping on delicious food at these events. Oh! The calories girls! Here's to your success!

"Future Farmer turn the sod and never once forget their God." These few words indicate quite a bit about these industrious boys. Not only have they had experience in various productive projects such as swine, dairy, beef, poultry, grain, or corn, but they were also taught how to judge them correctly. It wouldn't be too surprising to find some F.F.A. members in the Forensic League since they are well-versed in parliamentary procedure and also participate in public speaking contests on subjects related to their field. Mr. Marshall has done a good job in guiding these future farmer both in Vo-Ag class and at F.F.A. meetings

FUTURE TEACHERS ASSOCIATION

DRAMA CLUB

This year after many hours of rehersal your Drama Club staged several outstanding plays, one of which was. An Enemy of the People - Hisese hard hours of work paid off for many of our amateur actors and stage crews who now care proudly claim a The spain membership. We all owe Miss Nickolich and her assistant directors a debt of gratifuide for the culture they have brought to our school.

NATIONAL THESPIAN SOCIETY

"To be or not to be" a Thespian, "that is the question" which confronts each Drama Club member as he tries to earn enought points to become a Thespian members. One point is awarded for ten hours work in dramatics, so one can easily see the amount of work one must accomplish before becoming a Thespian. Under the competent and experienced direction of Miss Nickolich, the Thespian members played major roles in each of the plays presented last year. A big hand for the National Thespian Society!

NATIONAL FORENSIC LEAGUE

Since St. Charles High School is an affiliate member of the National Forensic League, any student having at least twenty-five points in either public speaking, debate, oratory, radio speaking or extempore speaking, or a combination of these, is eligible for the Forensic League. This group has done great work under Mrs. Jorgenson, their sponsor A speech of congratulation, which also contains an expression of our confidence in future successes, is in order for the members of the National Forensic League

INDIVIDUAL DEBATERS

The mouth goes divide hands tremble, there is an overruling temptation to run the other way however, our speech contestants overcome their fear and with the relieads high date the onimens judges and deliver their speeches. Their contage was well rewarded this year. It is peech St. Charles ranked fourth in Upstate Eight and third in the District.

The Speech contestants have a wide range of topics and styles from which to choose. He set it chide on qual oration, serious or comedy reading poetry, and original monolegie. After a successful season which haliaded two navitation il tournaments at Wheater, and Niles. Jeth Lemazon Scott her gison, and Margaret. Homas were selected to compete in the Sectional Tourist and

The Drama section of the Speech Club also enjoyed a successful year with their production of Endgame. Winning both the Upstate Eight and District Tourrannents, that west or to place sixth out of twelve schools at Sectional. The cast, which included Anne Allison. Scott Bergeson, Peter Holmer, and Rich Davito, received the added honor of being selected to the All Conference Cast.

All of the participants who gathered enough nerve to face the judgment whether win or lose detinately deserve a standing ovation from their fellow students

DEBATE

How many of you have had to drag yourselves from bed at the ghastly hour of 5.30 A M or a Linday or Saturday morning. This has occasionally been part of the rig prous schedule followed by debaters. These early hours were necessary for the debaters to attend the many tournaments which they have participated in this year. Some of the larger contests which the debate team entered this year were the Northern Illinois, Southern Illinois, and the University of Illinois tournaments.

The debate club was lucky to have Brian Landers, our foreign exchange student, debate with them this year. He had had much debating experience in England and contributed many ideas to the club.

Other active debaters were Scott Anderson, Sonja Blomquist, Peg Alexander, Narcy Strom, and Dede Bunker, Varsity Janice Hatch Debbie Price, Nancy Olsen, and Myrel Cook, Junior Varsity

LATIN CLUB

"Vizidando, agendo, bene consulendo, prospera omma cedunt Vigilance, action, wise counsels—these insure success."

Sallust

No words can better describe the cause of the Latin Club's success than these taken from their own beloved text. Proof of their success? Previously the Latin Club, alias the St. Charles Jimior Classical League, has participated in six national conventions and has filled all major district offices as well as the State J. C. L. presidency. And there's plenty of action at monthly meetings where the fall distier, the annual Roman banquet, and the various activities are planned. And wise counsel? Why, that comes from the excellent leadership of Mr. Devo.

SPANISH CLUB

Arriba, Arriba! Was the motto of last years Spanish Club. They proved it by winning a \$10 prize in the Homecoming Poster Contest. With a supreme effort on the part of the otheers, the annual Christmas Party was held in festive Spanish tradition. Bravo" for Mrs. Bannon, their "El Cid."

FRENCH CLUB

Under the new measurement of Miss Weeks Le Cercle Francius has tried to displicate a French atmosphere through their parties and various activities. Meetings which are conducted in French feature films and lectures which center on French customs, people, and holidays, and all those pincy tidbits which one never hears in class. Ask any member, and he will tolly on net only. Vive ea France," but "Vive la French Club!"

DRILL TEAM

"To the rear march, step and turn! All right you girls, guide right!" After only a short delay, the Drill Team once again started out on the right foot with the help of Mr. Devoss and the Pep Club. Many times after school one could hardly pass through the halls because there were so many girls busily concentrating on which look went where, when, and how. As a result of this intense concentration on drill perfection, the student body witnessed many outstanding performances at the basketball games when the team marched. Much appreciation is due for their sponsor, Miss Gillespie, and Kathy Gizesiakowski, their fine leader, for the many hours taken to give our school another terrific and hard working team to be proud of.

G.A.A. Board, Back row: Pat Larson, Sue Wessels, Front row: Candy Gregory, Joan Johnson, and Nancy Law.

Through the Girls' Athletic Association, High School Girls are afforded the opportunity to work with, or compete against, one another in a healthy situation

Sports, however, are not the only highlight of the G.A.A. program, Big-Sister – Little-Sister initation, a Mother-daughter Fea, the annual smorgasbord and candlelight bowling are just a few activities which crowd the organization's busy calendar

SOPHOMORE G.A.A.

Happiness is—a school with a good pep club. This year has see one of the best pep clubs ever! They really generated enthusiani with their bigger and better wall displays, and their territic assemblies. A lot of time and effort went into the selection of appropriate slogals and the making of wall displays and pep posters. If you will remember, the first words written in the Yell Book, which the Pep Club compiled told us to whom the Book was dedicated. To our school spirit and those in volved in creating it, the cheerleaders, the coaches, the athletic teams, and YOU, the student book?" Just read those words again, but this time start by saying, "The Pep Club is dedicated to our school spirit..." and you have a good description of the spirit of our new Pep Club.

POWDER KEG BOARD

With the help of the St. Charles Recreation Department, the Powder Keg Board supplied the kind of entertainment and atmosphere we looked for after exciting games. Held at the Community House, Powder Keg has been and will continue to be a great success—it was "designed with you in mind."

YEA, YEA, YEA

POWDER KEG

The next time an 'old Fogey" knocks Powder Keg quote Chaimary 'This exercise (dancing) is among the most healthful. The body as well as the mind feels its gladdening influence. No amuse ment seems more to have a foundation in our nature. The animation of youth overflows spontaneously in harmonious movements." Harmonious? Incidentally, Chaining, who lived in the eighteenth century, was an American elergy man! His idea of dancing was not quite the same as ours, but this quote seems more appropriate for the "Frug." than the 'Fox Trot." So the place to go after games is Powder Keg—it's good for you!

And thank you, St. Charles,
We couldn't be prouder,
For the support you gave us,
So keep on yelling louder!"

Same to you, cheerleaders, For all those cheers you gave, and as for all us readers, Here's luck to you always!

CHEERLEADERS

One of the most exciting parts of any game is being a part of the cheering which is led by all those cute girls. They did an excellent job of the spirit and enthusiastic support of "our guys." After all the hours of hard practice, let's turn the tables and give them a big cheer—they deserve it!

DANCE BAND

Last year the Swingin' Saints Dance Band provided the music for numerous dances and civic functions. Their fine music, which was a result of long hours of practice, added greatly to the entertainment of the student body

CONCESSIONS

When you are hungry and your stomach's so empty you can always $z \mapsto DOWNTOWN$. But listen to the Music of the Pep Band playing loudly. And larger in the doorway watching all the great commotion

How can you go?
The food is much closer here
You can forget all your hunger
Forget all your pain
And go Concessions!
Things are much better here
Concessions!
Everything's waiting for you

MARCHING SAINTS

"When the Saints come marching in. Oh when the Saints come marching in, We'll all get together and cheer, When the Saints come marching in!"

This song is well-suited for our school since it encompasses the spirit and enthusiam which our band embodies and which the Student Body has for them. Their intricate formations and fine music have gained them respect not only in their school but throughout the community

"The 1966 version of the St. Charles Marching Saints now present " and with a blare of trumpets and the boom of drums another half-time show was under way. The voices that warmed all of us freezing football fans during games belonged to Nancy Strom and Peter Holmer. The pride in their voices reflected the pride we have in our outstanding band and team

Through rain, snow, and freezing weather they played, marched, and entertained us at football games. The end results of their sufferings were interesting and entertaining halftime shows which we could all be proud of. The yearbook staff? Would like to heartily offer them our sincere thanks and a dime for a cup of hot chocolate

When something goes up it must come down; however, for most of us it usually comes down at the wrong time or in the wrong place. Yet for Lynda Wilkas, Carol Mangum, Peggy Tartar, and Debbie Wilson, our 1966 majorettes, everything fell and twirled in perfect union as they marched. They did a fine job of leading our band across the field at football games this year.

CONCERT BAND

For music the band room is the place. Almost anytime of the day you can hear the notes of some exasperated musical genius struggling within its practice rooms. The excellent result of this exasperation is the Concert Band. Under the direction of Maestroc Cicora, the band brought much needed musical culture to our school through their concerts. Taing part in the Fox Valley and Tri-City music festivals and playing at contest, the band was a fine representative of our high school in the community and state. We wish to thank the band and Mr. Cicora for their excellent performance during the past year
